Subject: Settlement Discussions

Dave – Good speaking with you this afternoon. To get discussions going, I am providing a link to one of EPA's model settlement documents. It is titled Cashout Settlement Agreement for Peripheral Party Settlements Not Based Upon Ability to Pay (CERCLA § 122(h) and AG Authority)

The link is http://cfpub.epa.gov/compliance/models/view.cfm?model_ID=536

This sort of settlement agreement may be appropriate for your clients situation and will give you an idea of where EPA and the US Department of Justice like to begin with settlement discussions.

Thanks
